

REMARKS

Careful consideration has been given to the Official Action of August 28, 2003 and the above amendatory action has been taken to place the application into conditions for allowance.

In this regard Claims 1 and 2, which have been rejected on cited art has been cancelled leaving Claims 3-10. These claims have been deemed allowable by the Examiner and accordingly only allowed claims now remain in the application.

By reason of the above action and comments, the application is now deemed in condition for issue, early dispatch of the Notice of Allowance would be appreciated.

Respectfully submitted,
